Somerville, MA 02144

Dear Mr. Knox:

We received your Freedom of Information Act (FOIA) request on April 29, 2019.

Your request seeks access to email documents and other written communications (memos, letters, etc.) sent or received from the NRC from 2002 to 2019 to the following nuclear utility companies:

Consolidated Edison Company of New York
GPU Nuclear, New Jersey
Genoa FuelTech, Wisconsin
Florida Power and Light
Indiana-Michigan Power (American Electric Power), Michigan
Xcel Energy, Minnesota (formerly known as Northern States Power Company)
Southern California Edison Company
Southern Nuclear Operating Company, Alabama

Your request has been assigned the following reference number that you should use in any future communications with us about your request: **NRC-2019-000286**.

To ensure the most equitable treatment possible of all requesters, the NRC processes requests on a first-in, first-out basis, using a multiple track system based upon the estimated time it will take to process a request. Based on your description of the records you are seeking, we estimate completion of your request will be on or before June 19, 2019. Please note that we are estimating that completion will take more than 20 working days because we expect to consult with multiple program and/or regional offices within the NRC, and may need to refer records to a licensee, or other business submitter.

Please know that this date is a rough estimate of how long it will take us to close requests ahead of yours in the respective track and complete work on your request. The actual date of completion might be before or after this estimate, based on the complexity of all the requests in the complex track. We will advise you of any change in the estimated time to complete your request. In an effort to process your request promptly, you may wish to narrow the scope of your request to limit the number of responsive records.

For purposes of assessing fees in accordance with our regulations (10 CFR 9.33), we have placed your request in the following category: Media. If applicable, you will be charged appropriate fees for duplication. Unless you state otherwise, we expect to provide our response, including any released records, electronically. You will not incur duplication charges if we respond to you electronically. There are no fees associated with your FOIA request.

The following person is the Government Information Specialist who has been assigned responsibility for your request: Karen Danoff, who may be reached by telephone at 301-415-5072 or via email to karen.danoff@nrc.gov.

If you have questions on any matters concerning your FOIA request, please feel free to contact the assigned Government Information Specialist or me at (301) 415-7169.

Sincerely,

Stephanie A. Blaney /s/

Stephanie A. Blaney
